For second consecutive year, T & K Roofing & Sheet Metal Company Inc located in Ely has received the Gold Level Safety Award from the Midwest Roofing Contractor's Association. The award recognizes T&K's exceptional Safety commitment as well as T&K's overall safety record for the 2015 calendar year.. T & K Roofing was only 1 of 13 companies to receive the Gold Level Award and the only roofing contractor in Iowa to receive an award at any level.

T&K Roofing Company won the Gold Level Safety Award in 2014.

T & K Roofing Company has established a successful safety program and works daily to maintain one of the lowest injury rates in the roofing construction industry.

T & K Roofing is a leading commercial, industrial and institutional roofing company celebrating its 54th year in business. For more information on T & K Roofing Company log onto: www.tkroofing.com
